

WELCOME TO ROBOTICA-25: A CELEBRATION OF INNOVATION AND INGENUITY!

An Unmissable Convergence for Aspiring Luminaries!

Prepare for an unparalleled experience at **ROBOTICA-25**, the 6th National Level Robotics Competition, meticulously curated by **Otomatiks**. This prestigious two-day event invites school students to immerse themselves in the captivating domains of science and technology. Join us on **February 7th and 8th, 2025**, at the illustrious **VIT University, Vellore**, and partake in a celebration of ingenuity that promises to inspire and challenge.

Day 1: Unleash Your Creative Brilliance!

The first day features a series of riveting competitions designed to showcase your intellectual acuity and technical finesse:

1. Working Model Competition

- ★ **Entry Fee:** Rs 600/-
- ★ **Team Size:** Maximum of 2 members
- ★ Transform your visions into reality! Teams are invited to craft and present their innovative working models, elucidating both their functionality and the underlying scientific principles. Seize this opportunity to captivate a panel of esteemed judges and underscore the profound significance of your creation!

2. Robo Race

- ★ **Entry Fee:** Rs 600/-
- ★ **Team Size:** Maximum of 2 members
- ★ Brace yourself for an electrifying contest! In this dynamic race, teams will engineer and construct their own Robo Cars, skillfully navigating a meticulously designed track. Speed, strategic thinking, and collaboration will be paramount as you compete for the esteemed title of Robo Race champion!

Day 2: The Pinnacle of Intellectual Challenge

Inter-School 5-Minute Circuit Challenge

- ★ Prepare for an intellectually stimulating contest! In this rapid-fire challenge, students from diverse institutions across India will have a mere **5 minutes** to design a circuit on the spot. It is a formidable test of creativity under pressure, where quick thinking and innovative spirit are crucial.

Why Participate?

At **Otomatiks**, we are devoted to cultivating the scientific potential of young minds. **ROBOTICA-25** serves as a remarkable platform to showcase your passion for technology, forge connections with like-minded peers, and gain invaluable hands-on experience in the exciting world of robotics. Last year, we proudly welcomed over **2000 participants** from **80+ schools** in and around Vellore, and this year, we anticipate an even more remarkable turnout.

Join Us for This Extraordinary Event!

Whether you are a seasoned technologist or a newcomer eager to explore the wonders of robotics, **ROBOTICA-25** promises an unforgettable experience brimming with knowledge, competition, and inspiration. Do not miss this opportunity to be part of a transformative event!

Register today! Together, let us leave our mark in the sphere of robotics!
